INDEX OF SUBJECTS AND AUTHORS

Abscess, Metastatic, of the brain, 540
Adult, healthy, apparently, Development of tuberculosis in the, 1
Aetiology, bacteriological, Multiple, in clinical tuberculosis, 635
Air embolism, 263
Allergies, treatment for, children under, Disappearance of tuberculin reaction in, 11
AMAZON, PETER. Tuberculin reaction in old age, 41
AMERICAN TRUDEAU SOCIETY:
Report of the Mississippi Valley Trudeau Society, 228
Report of the Southern Trudeau Society, 229
Report of the Committee on Standard Laboratory Procedure, 443
Statement of the Emergency Base Hospital Program of the Office of Civilian Defense, 546
Contact examinations, 656
Anaesthesia, Pentothal sodium, for the tuberculous patient, 51
Army X-ray examination for tuberculosis, 113
Artificial pneumothorax in Negroes, 575
Aspergillosis, Primary, of the lungs, 107
Avian tuberculosis in rats, Effect of diet low in thiamine and riboflavin on, 518

Bacilli, tubercle, concentrating and staining, Mass method for, 631
——, ——, Cultures for, from sputum and gastric contents, 421
——, ——, Demonstration of, in minimal pulmonary tuberculosis, 625
——, ——, virulence of, Chorio-allantoic membrane of the chick embryo as a medium for testing the, 426
Bacteriological aetiology, Multiple, in clinical tuberculosis, 635
BARTH, E. E. See GUNN, F. D., *et al.*, 78
